INSTALLATION NOTES

Use 2 fiberglass pins per block to connect them together except on the top row where the caps are placed. Keystone Compac® Hewnstone is sold in full bundles only. For near vertical batter, place pins in front hole location. For 8.5 degree batter, place pins in back hole location. For 4 degree batter, alternate pin location

starting with back pin location on first course, front location on second course and alternating on consecutive layers. Alignment pins sold separately. For more in depth installation guides for specific products, visit **BarkmanConcrete.com**.
