

# CALIBER STONE FIREPLACE SYSTEM

## ONE KIT, YOUR WAY

The Caliber Stone Fireplace System is a versatile 16-in-1 modular kit that enables the creation of 16 unique fireplace designs using 3 pallets of Caliber Stone and 1 pallet of components, each sold separately.

## KEY FEATURES

Compatible with both wood and gas-burning setups, this kit includes all pre-cut pieces for easy assembly, offering flexibility to meet your needs.

## INSTALLATION NOTES

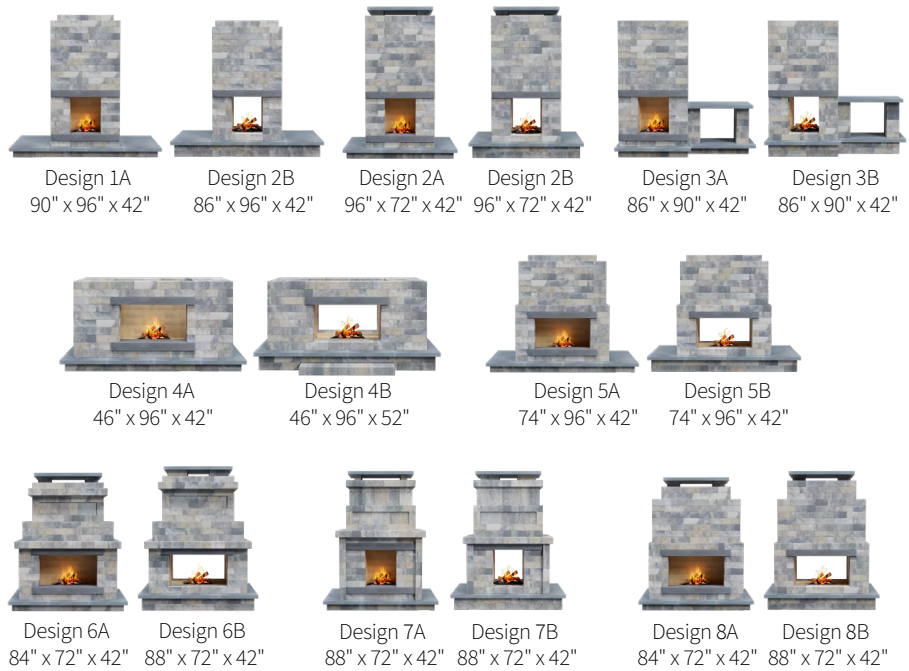

The consumer is responsible for reviewing the local regulations, by-laws, building codes, insurance implications, and any above ground and underground services pertaining to product installation and use. If you require a steel fireplace grate, feel free to contact your local Barkman representative
