

# KEYSTONE COMPAC® SMOOTH STONE

## UNIT OF MEASURE

The Unit of Measure for Keystone Compac Smooth Stone is Each.

## PIECES REQUIRED

Use 2 fiberglass pins per block to connect. For near vertical batter, place pins in front hole location. For 8.5 degree batter, place pins in back hole location. For 4 degree batter, alternate pin location starting with back pin location on first course, front location on second course and alternating on consecutive layers. Alignment pins sold separately.

## INSTALLATION

For information on wall heights, consult the product installation guide and technical specifications. Check your local building codes and consult a professional engineer when required.

## PALLET INFORMATION

Sold in full pallets only. Contact your local Barkman sales representative for further details.
