

## Fire Pit Kits

### Extend the Patio Season

Nothing beats an evening spent with great company around a Barkman fire pit. Purchasing a fire pit is as much about durability as it is aesthetic beauty. Barkman has plenty of options ranging in size and affordability.

Our classic fire pits include the Quarry Stone, Smooth Quarry Stone and StackStone® fire pits. For a natural stone look, choose between the Rosetta Dimensional Fire Pit and Rosetta Belvedere Fire Pit. Each fire pit is made with premium fire-safe concrete and is engineered to withstand every season. Each kit comes complete with pre-cut pieces and instructions for easy assembly. The best stories are told around a campfire. Tell some stories of your own.
